

Bastingage

Bastingage is a tribute to sailing. Strong and soft at the same time, like a ship rail, thanks to its round aluminum shapes and its Duratek® teak insert.

Materials: Aluminum, teak Duratek® finish insert with no maintenance, Ateja sling and cushions, white wash concrete HPL

Maintenance: Chairs and tables can stay outside all year long. Cushions are water repellent, but need to be stored in winter . It is advisable to clean up the table HPL top after each meal. Do not use abrasive products to clean Duratek®/frames.
