

Copenhagen

Copenhagen or the unmistakable Scandinavian touch...This collection displays an understated elegance.

Materials: Teak Duratek® finish, Sunbrella® cushions and Graphito and Agora panama, White wash concrete HPL, flat rope.

Maintenance: The Duratek® doesn't need maintenance, it can stay outside all year long, just like the Batyline sling chairs. Cushions are water repellent, but need to be stored in winter. It is advisable to clean up the table HPL tops after each meal. Do not use abrasive products to clean Duratek®/frames.
